STEP 5 – View your position for each

The screenshot shows a dashboard with a dark blue header and a light blue background. The main content area is divided into several sections. At the top, there are two small charts: a bar chart on the left and a line chart on the right. Below these, there is a large section with a dark blue background and white text. This section contains a large number '100' and a smaller number '1000'. There are also several small icons and a search bar. At the bottom of the dashboard, there is a row of four small charts: a bar chart, a line chart, a pie chart, and a gauge chart. The overall layout is clean and modern.
